Leadership training offerings that **Develop Your Natural Ability**

A change in thinking  
caused by the introduction  
of insight and innovation:  
**a mind shift.**

# Leaders are not born. We develop them.

We believe in potential. Our passion is helping others realise theirs. Established in 1976, DYNA Training has provided thousands of participants with the skills they need to establish long lasting leadership chains; transforming organisations and creating an internal culture of performance.

**With support and knowledge, we help facilitate the upskilling and empowerment of employees. We ensure they take ownership of their positions and continually grow their leadership talents.**

Our measurable learning application ensures the highest level of workplace-project achievement, identifying critical skills which transform strategy into action and training into results. Our programmes have become a leadership benchmark for many top 300 companies and offer supported progression through the NQF levels. Our cost-effective results are not only rapid in delivery but also provide superior follow-up support to ensure that key elements of a business's strategy are implemented effectively.

## The Bigger Picture

We are part of the Workforce group of companies, a leading, trusted provider of leading human capital solutions across South Africa and beyond our borders.
